## THIRTEEN THOUSAND KILLED AND WOUNDED

### In Recent Battles---Russians Were Routed and Retired.

London, Jan. 30.—The Tokio correspondent of the Reuter Telegram Co., reports that casualties in the fighting at Chenchienpan and Heikoutai, South Mukden, last week were:

Japanese, three thousand killed and wounded.

Russians, ten thousand killed and wounded.

Gen. Kuropatkin's main force, which attacked Chenchienpan, retired northwest.

#### SENSATION IS EXPECTED.

St. Petersburg, Jan. 30.—It is rumored that sensational disclosures with reference to the surrender of Port Arthur will follow the arrival of Gen. Stoessel. It is stated that more than one message from the czar to Stoessel was tampered with in transmission. At least two messages never left St. Petersburg, and it is said high personages are implicated.

#### Kuropatkin's Repulse.

St. Petersburg, Jan. 30.—Instead of a confirmation of Saturday night's report that General Kuropatkin had broken through the Japanese left, there comes Lieut. General Sakharoff's official admission yesterday that the Russians had been compelled to retire from Sandepas on account of inability to carry the redoubt.

#### Russians Disappointed.

General Kuropatkin's Headquarters, Jan. 30, via Fusan.—The Russian attempt to turn the Japanese left has resulted in complete failure. The Russians chose the worse weather of the season, depending perhaps on their familiarity with snowy country to aid them in their operations. The artillery attacks on Japanese permanent line were, it is thought, a demonstration to prevent the withdrawal of forces to reinforce the Japanese left. All Saturday afternoon and into the night the artillery duel was waged across Shakhe river. There was much heavy rifle firing from positions where entrenchments are close.

It has been quiet today except on the left. The weather is much milder.

#### Almost a Rout.

Tokio, Jan. 30.—Telegraphic advices received yesterday from the Japanese Manchurian headquarters say:

"Our detachment at dawn Sunday attacked the enemy in the neighborhood of Feltssaihotzu, about two miles north of Heikoutai, and occupied the position. The enemy fiercely counter-attacked our force, which assailed Heikoutai last night but was repulsed entirely. Today our force occupied the neighborhood of Heikoutai.

"The enemy in the direction of Luitako and Heikoutai has entirely retreated to the right bank of the Hun river. Our force is now pursuing them.

"In the direction of Chenchienpan and Likajentan the enemy made several attacks last night, but were repulsed. The enemy attacked these points belonged to the eighth and tenth corps.

"We captured 500 officers and men."

#### Russian Account.

St. Petersburg, Jan. 30.—Lieut. General Sakharoff has telegraphed the following to the general staff:

"On January 26th, the enemy began to concentrate in considerable force near Sandepas, intending to take the offensive against the villages of Samapu and Paotsia, south of Sandepas, which were occupied by the enemy. During the whole of January 27 an obstinate fight was going on here, and after midnight we took Samapu.

"On January 26 another column advancing on Sandepas occupied in the evening a great part of that fortified village; but, coming upon a strong redoubt with a triple row of artificial obstacles which had been scarcely damaged by our fire, and which was armed with field artillery and quick firers and seeing the impossibility of carrying the redoubt, without preliminary bombardment, our troops left Sandepas, which had been set on fire, it being impossible to remain there, without risking defeat.

"On January 27 and 28 Sandepas and its redoubt were heavily bombarded, while our extreme column engaged near Samapu and Paotsia. Details have not been received.

"On January 26 and 27 our caval-

#### NEWS OF OTHER CHURCHES

Yesterday was Rev. George O. Bachman's last Sunday as pastor of the Cumberland Presbyterian church. He preached in the morning on "The Church of the Future," and at night on "The Trained Church Workers," subjects of practical importance to the church. He was heard by interested congregations.

Dr. Bachman leaves early this week for Mississippi to engage in special Sunday school work. He was one of the state Sunday school workers for Tennessee before coming here, and is returning to the work that holds most interest for him, and to which he is especially adapted.

Dr. Bachman has been pastor of the Cumberland Presbyterian church here for two years and has many friends who regret to see him leave. His family will remain here for the present. He has received several calls to permanent positions in this line but has not definitely decided his future plans.

Rev. G. W. Perryman, pastor of the First Baptist church, did not decide yesterday whether or not to go to Knoxville, Tenn., and will await further information from Knoxville before deciding. It is possible that he will decide tomorrow sometime.

Rev. J. H. Wright, of Nashville, Tenn., preached yesterday morning at the First Baptist church. It was a strong and thoughtful discourse, and was heard by an attentive and interested congregation.

Rev. Mr. Wright is well known here, having visited and preached in the city on various occasions, and has filled charges around Paducah in the beginning of his ministry. He is now doing a fine work in Nashville. Mr. Wright and his family are visiting relatives in the city en route to Nashville from a several weeks' sojourn in Dallas, Tex.

Rev. J. W. Graham, the financial secretary of the Christian church Orphan Home of Louisville, filled the pulpit at the First Christian church yesterday morning and night. Mr. Graham is a forcible speaker and made two excellent addresses. The music was very fine. The morning offertory was sung by Mr. Robert Scott, and Mrs. F. M. Dugger, of Jackson, Tenn., sang in the evening.

The Paducah Sunday School Association held a meeting at the Broadway Methodist church yesterday afternoon at 3 o'clock. The association was addressed by Rev. Geo. O. Bachman on "The Essentials of Sunday School Work." It was a special illustrated lecture, teeming with many points of practical interest to the Sunday school workers. Dr. Bachman is a specialist in Sunday school work.

The Y. M. C. A. gymnasium committee held its first meeting on Saturday night and mapped out much good work for the gymnasium members and enthusiasts.

Rev. T. E. Richey preached yesterday at the East Baptist church. Mr. Richey has regular charge of that church now, and will hold services every Sunday, and not once or twice a month as has been the custom heretofore. He is much pleased with the outlook for his new charge.

Rev. W. H. Pinkerton is expected home from Kenton, Ohio, where he has been for three weeks conducting a revival, sometime this week.

Rev. M. E. Dodd, pastor of the Baptist church in Fulton, yesterday preached his farewell sermon, and leaves Feb. 6, for Mexico as a missionary. He will reside for several months at Poluca, and after that at Marella, Mexico.

## CLUBBED TO DEATH AFTER THE CIRCUS

### A Lively Fight With the 'Hey, Rube' Gang.

Spectators Were Displeased and  
Criticism Precipitated a Free-  
For-All—One Killed.

#### ANOTHER MAY DIE OF WOUNDS

Baldwin, La., Jan. 30.—A bloody battle between spectators and show people, in which a Winchester rifle, pistols, clubs, poles and stakes figured, occurred here Saturday night at the conclusion of the performance of the A. H. Reed circus. When the smoke had cleared away Charles Peterson, a well known citizen of Franklin, La., was found to have been literally clubbed to death, and Martin Ashley of Baldwin, La., received two bullet wounds which may cost him his life.

The spectators numbering several hundred were displeased with the circus, some of the crowd criticising a trapeze act in a boisterous manner, one man shouting, when the artists had left the ring, "We can do that." The circus people were in an ugly mood, some of them being partially intoxicated.

When the performance closed the circus crowd, headed by W. A. Reed, the manager of the shows, who was armed with a Winchester, made for the man who had given voice to his criticism. This precipitated a free-for-all fight, and many of the spectators fled, panic-stricken. Over a score of shots were fired, most of them coming from pistols in the audience. The body of Peterson was badly mutilated.

Twelve of the fourteen performers were arrested, including the wife of W. A. Reed, the manager. Reed and one performer escaped with a big bag of money, the result of a week's tour through this section.

#### BOMB DEMOLISHED HOUSE.

St. Petersburg, Jan. 30.—A dynamite bomb was thrown at the residence of the governor of St. Petersburg's house, and partially demolished it. The governor was absent at the time.

#### BRITISH CONSUL ATTACKED.

London, Jan. 30.—The foreign office today confirmed the report of an attack on the British Consul Murray and Pro-consul Muchukain, by Cossacks at Warsaw.

#### RIOTING IN WARSAW.

St. Petersburg, Jan. 30.—Rioting and pillage were in progress in Warsaw, in spite of the presence of large numbers of troops. British consular officers were there assaulted by hussars and the matter, it is said, has been called to the attention of the St. Petersburg government by the British ambassador. A severe storm at Moscow aided the authorities there in averting disorder which was thought to be impending. There were no disturbances in St. Petersburg. In Batoum Prince Gurieli, an officer of the police, was assassinated.

The influence of Grand Duke Sergius, the foremost of the reactionaries, is alleged to have governed Emperor Nicholas ever since the strike troubles began, and that a member of the imperial family is represented to be determined on drastic measures for the suppression of all agitation for economic or political reforms. Reports continue rife that the terrorists are prepared to resume their activities.

Father Gopon, the leader of the St. Petersburg workmen, is reported to have escaped to Stockholm. The Holy Synod has denounced him as a "criminal priest," a betrayer of his office.

#### STRIKE COLLAPSING.

St. Petersburg, Jan. 30.—The strike is collapsing in all directions and a hundred and ten thousand men returned to work here today. Nine of the largest factories have resumed operations and Moscow and Poland are the only districts remaining in the dangerous zone.

#### Bomb in Barracks.

Vienna Jan. 30.—A telegram from Czenstochow, Poland, reports that a bomb was thrown in the cavalry barracks yesterday and that many soldiers were wounded. The act is supposed to have been in revenge for brutality in dispersing the workmen's meeting. Other dynamite outrages are reported in the neighborhood of Lodz. A gendarme is reported killed.

#### Accuse the British.

St. Petersburg, Jan. 30.—A placard has been posted about the city signed by Gov. Province, charging British gold with fomenting the strike. Similar placards have appeared at Moscow and the British ambassador, Mr. Hardinge, has protested to the government against the placards.

#### THEIR LAST CHANCE.

Alleged Postoffice Grifters Must Now  
Serve Sentences.

Washington, Jan. 30.—Application for a writ certiorari in the case of August W. Machen, Dr. George E. Lorenz Miller and Samuel Groff, convicted and sentenced to two years imprisonment, and a fine of ten thousand dollars each for conspiracy to defraud the government in connection with the sale of letter box fasteners to the postoffice department, was denied by the supreme court today. This deprives the defenders of the last chance of evading punishment in the courts, and they will now be sent to the Moundsville, W. Va., penitentiary.

#### BIG STRIKE.

Nothing Doing in Any of the Chicago  
Lumber Yards.

Chicago, Jan. 30.—Three hundred lumber teamsters struck today and every lumber yard in Chicago of any importance is tied up. Three hundred and fifty planing mill employees voted to reject the new agreement offered by the Lumbermen's association, practically providing for an open shop and a strike is impending, which may further complicate the lumber industry.

#### PROTEST OVERRULED.

Russians Did Not Want Swedes to  
Testify.

Paris, Jan. 30.—During this morning's session of the international inquiry of the commission, the Russian agent protested against the calling of the members of the crew of the Swedish ship Albebaran, as witnesses. The Albebaran was fired on by the Russian fleet. President Fournier overruled the protest and called the witnesses.

tested to the government against the placards.

#### Strikers are Quiet.

Moscow, Jan. 30.—Most of the shops are closed today and strikers are quiet, but the authorities are fearful of the work of Socialist agitators who continue to circulate among the workmen.

#### SUCCESSFUL ASCENT.

"California Arrow" Successfully  
Flown Yesterday.

Los Angeles, Cal., Jan. 30.—Roy Knabenshue, of Toledo, made a successful flight in Capt. Baldwin's airship, the "California Arrow," yesterday afternoon at Chutes park. Knabenshue was in flight about 45 minutes, during which he circled within a radius of about a mile of the park, executing all sorts of maneuvers with the big aerial craft, returning finally and landing within the enclosure of the baseball grounds from which he had started.

#### MAY DIE.

Oberlin Banker Is Losing His Mind  
Now.

Oberlin, Ohio, Jan. 30.—C. T. Beckwith, president of the defunct Citizens' bank, lies at his home in North Pleasant street in a critical condition. The aged banker, whose dealings with Mrs. Cassie Chadwick caused the failure of the bank, is not only suffering from bodily ills, but is losing his mind.

#### Call for Mass Meeting.

Denver, Col., Jan. 30.—Unsigned hand bills, calling a mass meeting at the capitol on March 2, the date set for a decision by the legislature of the Peabody-Adams contest for the governorship, are being circulated throughout the state.

"The deal is fixed," according to the circular, "to unseat Gov. Adams and seat Peabody," and the question is asked: "Will you permit the purchased politicians to veto the people's will?"
